

CONFERENCE QUARTERLY

From the British Association of Dermatologists

WINTER 2011

Dear BAD Member,

As the year draws to a close, it also sees the end of a very busy year for the Conference Team.

Alongside the regular meetings the department coordinates each year (Medical Dermatology, THESIS, BSPD, Clinical Dermatology Update Meeting, DermDoc, Annual UK Consultants Course and of course the Annual Meeting), the department also took on Secretariat/PCO (Professional Congress Organiser) roles for international meetings Porphyrins & Porphyrins 2011 and Psoriasis: From Gene to Clinic as well as new meetings RegiSCAR, and Community Skin Cancer Pathways.

2012 will be as equally busy and the team have a full roster of upcoming meetings and events which will be of interest to BAD members. Please see below for further information on upcoming meetings.

92ND ANNUAL MEETING:

WINTER 2011

May 2012

Applied Photodermatology

Venue: Willan House, London

Date: Monday 21st – Tuesday 22nd May

Email: conference@bad.org.uk

This two day course held at BAD House meets a number of educational objectives for delegates including how to evaluate patients with photosensitivity and how to identify the pros and cons of pre-phototherapy phototesting in PUVA and UVB.

Delegates will acquire the knowledge and skills to evaluate patients with photosensitivity and diagnose the underlying cause; to manage patients with prolonged photosensitivity; and to take on the role of clinical lead for phototherapies in their own unit.

June 2012

THESIS/BAD/BSID Research Course

Venue: Willan House, London

Date: Thursday 14th – Friday 15th June

Email: conference@bad.org.uk

The 12th Meeting of THESIS, a combined THESIS / BAD / BSID Research Course is to be held in London on 14th - 15th June.

The course will be suitable for SpRs in Dermatology and for 'SHO's/foundation year trainees who wish to pursue a career in either clinical or academic dermatology.

New consultants will be most welcome and SpRs in years one and two are particularly encouraged to attend. We are keen to continue with presentations from registrars who have either completed a thesis or who are at an advanced stage of their research. In this way we hope that those new to dermatology will learn how to carry out good research and how to avoid pitfalls.

Please contact the [BAD Conference Office](#) for further information.
