Multidisciplinary Management of Non-melanoma Skin Cancer
7-9 November 2019 | Brussels, Belgium

As the incidence of nonmelanoma skin cancer (NMSC) increases worldwide, this interactive course highlights the need to improve interdisciplinary collaboration. This course covers everything in the field of NMSC from epidemiology, dermatopathology, surgical and non-surgical treatments, skin radiobiology and skin care during treatment through to palliative and supportive care.

TARGET GROUP
This advanced multidisciplinary course is aimed at radiation oncologist and clinical oncologists, dermatologists, surgeons, allied health care professionals and other specialists and trainees who have a special interest in non-melanoma skin cancer (NMSC) and would like to update their knowledge in the multidisciplinary management of patients with NMSC. The course may also be of interest to medical physicists and radiographers who would like an overview of the current practice in NMSC.

COURSE AIM
• Provide a comprehensive overview of current management options in NMSC
• Highlight the need for improved interdisciplinary collaboration

LEARNING OUTCOMES
By the end of this course participants should be able to:
• Understand prophylaxis, epidemiology and pathology of NMSC with special focus on basal, squamous and Merkel cell carcinoma. Rare skin cancers will also be included.
• Discuss advantages and limitations of imaging modalities used for diagnosis and treatment of NMSC
• Understand indications and limitations of surgical and non-surgical treatment modalities in NMSC
• Develop a deep understanding of best practices in NMSC and provide patients with the best possible treatment, skin care advice and follow-up care
• Understand challenges of palliative and supportive care in NMSC patients
• Have a general understanding of principles in geriatric oncology and integrate geriatric oncology assessment into clinical practice involving NMSC patients
• Summarise the latest technical developments and gain knowledge of future directions in research and clinical trials in the management of NMSC.

COURSE CONTENT
• Epidemiology, prevention, pathology and bio-markers of NMSC
• The role of imaging in diagnosis and treatment of NMSC
• Surgical and non-surgical treatments of NMSC
• Physics and mould room input in dermatological radiotherapy and brachytherapy
• Radiobiology of the skin
• Follow-up and management of side effects during and after skin cancer treatment
• Role of allied health care professionals in NMSC management

*Radiation Therapist (RTT) members are eligible for the in-training fee

The fee includes the course material, coffees, lunches, and the social event.

Reduced fees are available for ESTRO members working in economically less competitive countries. Check the eligible countries and the selection criteria on the website of the ESTRO School.

ESTRO goes green: Please note that the course material will be available online. No course book will be provided during the courses.

ADVANCE REGISTRATION AND PAYMENT ARE REQUIRED. ON-SITE REGISTRATION WILL NOT BE AVAILABLE.
Since the number of participants is limited, late registrants are advised to contact the ESTRO office before payment, to inquire about availability of places. Access to homework and/or course material will become available upon receipt of full payment.

INSURANCE AND CANCELLATION
The organiser does not accept liability for individual medical, travel or personal insurance. Participants are strongly advised to take out their own personal insurance policies.

In case an unforeseen event would force ESTRO to cancel the meeting, the Society will reimburse the full registration fees to the participants. ESTRO will not be responsible for the refund of travel and accommodation costs.

In case of cancellation, full refund of the registration fee minus 15% for administrative costs may be obtained up to three months before the course and 50% of the fee up to one month before the course. No refund will be made if the cancellation request is postmarked less than one month before the start of the course.

PARTICIPANTS SHOULD REGISTER ONLINE AT: WWW.ESTRO.ORG/SCHOOL
