Sarcoma Educational Update and Inaugural Joint RM-ICR Sarcoma Research Centre Symposium

Dear Colleagues,

It is with great pleasure that we invite you to participate in this very exciting conference on 'Soft Tissue Sarcomas: a Clinical Update' on Tuesday 24th September 2019, at the Royal Marsden Education and Conference Centre, London.

The aim of the conference is to provide a state of the art review of multidisciplinary sarcoma care with emphasis on what is new, clinically relevant and controversial in the management of sarcomas. Topics will include a review of diagnosis, the importance of referral centres and all aspects of multi-disciplinary management. We hope to stimulate in-depth discussions on each topic with ample opportunity to ask questions and to express your own views.

The meeting will also host a symposium to mark the opening of a joint Royal Marsden/ ICR Sarcoma Research Centre. The guest speaker will be Professor Jean-Yves Blay, General Director, Centre Léon Bérard, Lyon, France.

The meeting is open to all health care professionals with an interest in sarcomas.

We hope you will be able to join us for this meeting.

Dr Robin Jones

Head of Sarcoma Unit, Royal Marsden
Team Leader, Institute of Cancer Research

The Faculty

Dr Robin L Jones
Consultant Medical Oncologist,
The Royal Marsden NHS Foundation Trust
