

A Day @ St John's

8th December 2016

St John's Institute of Dermatology (Division of Genetics & Molecular Medicine)

Guys Hospital, Tower wing, 8th floor, lift B, London SE1 9RT

Unique Features of "A Day @ St John's"

- An exclusive opportunity to participate in the Prestigious St John's Grand Round
- An excellent opportunity to learn from the world's leading experts in Dermatology
- A chance to network with both trainees and consultants at St John's Institute of Dermatology
- Top tips and advice from a Dermatology Specialist Registrar on the application process and the clinical fellow post
- A small number of attendees per session: maximum 20
- Not for profit course: proceedings will go towards improving educational resources for trainees at St John's.

"A Day @ St John's" is suitable for:

Anyone interested in Dermatology including:

- Medical students (year 3 and above)
- Foundation doctors
- Core medical trainees
- ACCS trainees

Fees

- Medical students (year 3 and above): £50
- Foundation doctors: £75
- Core medical trainees: £75
- Any other trainees: £75

Objectives

- 1) To teach junior doctors how to assess and manage essential Dermatological conditions including emergencies
- 2) To inspire junior doctors to choose a career in Dermatology
- 3) To give an insight into career choices within Dermatology (clinical and academic)
- 4) To give an opportunity for junior doctors with an interest in Dermatology to attend the Grand Round at St John's Institute of Dermatology
- 5) To give an opportunity for junior doctors to network
- 6) To give advice on the highly competitive application process for Dermatology NTNs
