**A Basic Course of  
Dermatopathology**

**COURSE DESCRIPTION**

This three-day course is designed for physicians, dermatologists in training and Consultants who wish to enhance their basic knowledge of skin pathology in a structured format. Participants will receive a stepwise comprehensive exposure to the basic principles of dermatopathology. Special emphasis will be given to clinical-pathological correlation and to understanding the value of integrating dermatopathology in clinical practice.

**COURSE AIMS**

The participants will:

1. Increase their knowledge of basic dermatopathology
2. Enhance their overall diagnostic skills
3. Understand the value of clinical-pathological correlation
4. Improve their interpretation of a dermatopathology report and communication with the dermatopathologist.

**COURSE STRUCTURE**

The course includes:

1. Lectures on the following topics:

**DAY 1:** Principles of basic dermatopathology & 'Top to bottom': Epidermis

**DAY 2:** 'Top to bottom': Dermis and subcutaneous tissue

**DAY 3:** Benign and malignant skin tumours

2. Interactive vignettes, in a quiz format, with emphasis on clinical-pathological correlation

**COURSE VENUE**

The three-day Course will be delivered virtually, London (GMT) time, in a live Zoom webinar format. This will include lectures covering the basic topics in Dermatology, live interactive sessions of clinical-pathological cases with quiz and Q&A, and continuous chat support.

**COURSE DIRECTORS**

Dr Catherine M. Stefanato, MD, FRCPath, Dipl. American Boards of Pathology and Dermatopathology, Consultant Dermatopathologist, St John's Institute of Dermatology

Dr Blanca Martin, MD, DipRCPath, Consultant Dermatopathologist, LDPath, London, UK

**ACCREDITATION**

A certificate of attendance will be given upon completion of the Course.
