

British Society for Medical Dermatology

“DERMDOC”

Virtual Course* - Monday 2nd November 2020

**please note that due to Covid-19, this course will take place virtually*

DermDoc is a one - day medical dermatology course organised by the BSMD, specifically created for Foundation Year and Core Medical Training doctors.

Its aim is to improve your knowledge of the management of acute and common skin problems on the ward, and the important skin signs of systemic disease.

Registered delegates have the opportunity to submit an abstract for consideration for oral or e-poster presentation at the course.
