### *Clinical Dermatology Update 4-6 October 2017 Crewe Hall, Crewe*

Following on from the success of last year's meeting, we look forward to welcoming SAS friends back to Crewe Hall for the 13<sup>th</sup> annual CDU. As a result of feedback from previous years where peers expressed an interest in what their colleagues are particularly proud of, presentations on the Wednesday evening will be entitled 'What SAS dermatologists can achieve'. This is a great chance to gain experience in presenting in a relaxed environment to like-minded colleagues. Please submit abstracts by **8th September**, using the form supplied by BAD. To book a place and to receive further information, please contact the BAD conference team: [christopherG@bad.org.uk](mailto:christopherG@bad.org.uk) or [conference@bad.org.uk](mailto:conference@bad.org.uk)
