

National Institute for Health and Clinical Excellence

Review of Clinical Guideline CG7 Pressure relieving devices

Stakeholder Comments

<b>Please enter the name of your registered stakeholder organisation below.</b>	
NICE is unable to accept comments from non-registered organisation or individuals. If you wish your comments to be considered please register via the <a href="#">NICE website</a> or contact the <a href="#">registered stakeholder organisation</a> that most closely represents your interests and pass your comments to them.	
<b>Stakeholder Organisation:</b>	British Association of Dermatologists
<b>Name of commentator:</b>	Michael J. Tidman, Chair, Therapy & Guidelines subcommittee
<b>Do you agree with the proposed review decision?</b>	YES
<b>If no, please add any reasons/comments in the box below</b>	
<b>If there are any areas excluded from the original scope that you feel need to be addressed in any update decision, please write these in the box below</b>	
None identified. It would seem sensible to combine this and the guideline on pressure ulcer management.	
<b>If there are any equality issues relevant to the guideline that you do not feel have been adequately addressed please write these in the box below</b>	
None identified	

Please add extra rows as needed
