*Delete as appropriate

Date: 20th October 2008 _____

Comments:

1. Application is re: lotion, yet the PIL describes the use of spray. It is not clear whether these are two different formulations or if the lotion is administered as a spray.
2. There are some typos and spelling errors
3. Before using Hedrin: mentions allergy to listed ingredients but doesn't state where they are listed
4. Overall we have no objections to the reclassification
