Dear Sirs

The British Association of Dermatologists is delighted to submit its response to the DH consultation on 'Transparency in outcomes – a framework for the NHS' and our completed consultation response document is attached.

In addition, we have also included a brief 'summary document' which highlights our main points pertaining to the document which we hope will make it easier for the Department to understand the issues we feel to be the most important.

We look forward to helping make this new initiative work for the benefit of patients.

Yours sincerely

Dr Stephen Jones  
President  
British Association of Dermatologists
