

A Day @ St John's

St John's Institute of Dermatology Guy's and St Thomas' Hospitals NHS Trust

Unique Features

- An exclusive opportunity to participate in the prestigious St John's Grand Round
- An excellent opportunity to learn from the world's leading experts in dermatology
- A unique course that gives you a snapshot insight into career choices within dermatology (clinical and academic)
- A chance to network with both trainees and consultants at St John's Institute of Dermatology
- Top tips and advice from dermatology specialist registrars on the NTN application process and alternative paths to dermatology training
- An interactive setting with a maximum of 30 attendees per session
- Not for profit: proceedings will go towards education and training for dermatology trainees

"A Day @ St John's" is suitable for:

Anyone interested in dermatology including:

- Medical students (Year 3 and above)
- Foundation doctors
- Core medical, surgical or ACCS trainees
- GP trainees
- Specialist registrars considering a switch in career to dermatology

Fees

- Medical students (year 3 and above): £50
- Junior doctors: £75
